

Does
Dutch
Bureaucracy
get on
your
nerves
too?

The Maastricht Region invites you for a meeting with one of our top tax professionals. Free of charge. It gives you the opportunity to learn about:

- The applicable Dutch income tax system;
- Assignment related territory tax and social security implications (Dutch taxation of employment income, pension, stock options, mortgage deduction, double tax relief etc.);
- Any tax filing requirements;
- Any migration formalities (e.g. work permit, visa and/or residence permit).

On top of that we will perform a quick scan to determine whether you can apply for the 30% ruling.

Under certain conditions foreign nationals moving to the Netherlands can benefit from a special tax regime for expatriates (the so called 30% ruling). Under the 30% ruling part of your income can be received tax free.

This meeting and the quick scan are free of charge.
